## DIY PROJECT: Supporting New Parents Drive

**Non-Profit:** ABC Women's Center

**Website:** <https://abcwomenscenter.org/>

**Address:** 180 East Main Street, Middletown, CT 06457

### THE MISSION

ABC Women's Center provides free and confidential pregnancy resources and services to women in our community. They are there to walk with women through pregnancy and parenting decisions. No woman should have to face pregnancy alone, and they are a safe space for women to go for support and care.

### THE PROJECT

**STEP 1:** Coordinate a drive with your group members to collect items needed from ABC Women's Shelter. Call the shelter (860) 344-9292 and find out what the biggest needs are right now for their organization.

**STEP 2:** Spend time as a group reading the mission of ABC Women's Center and spend time praying for the work that they do for mothers in our community.

**STEP 3:**

Option A – Plan a night for your group to go shopping together and get ice cream afterwards!

Option B – Have each group member bring their supplies to group and spend the night writing encouraging cards and prayers to the expecting moms.

**STEP 4:** Find a time to drop off your donations to the Center.
